PACKAGE RECYCLING

- **Package Recycling & Staking Cycle**
- **Package Recycling:** The package must be recycled **once every 10 days** to continue the reward cycle.
- **Grace Period:** Members will receive an additional **7-day grace period** for recycling the package.
- **Non-Recycling:** If the package is not recycled within the applicable period, **eligible income and reward activities will stop**.
- **Example:** For a **$100 package**, after 10 days, the member receives **$112.50 worth of tokens**, calculated according to the **live token rate**.
- **New Staking Cycle:** The member deposits **$100** to receive **$112.50 worth of tokens** and starts a **new staking reward cycle**.

WITHDRAWAL SYSTEM

- **Live Token Price:** All transactions will be calculated using the **live token price at the time of the transaction**.
- **Minimum Withdrawal:** The minimum withdrawal amount is **$10**.
- **Maximum Daily Withdrawal:** Members can withdraw up to **$3,000 per day**.
- **Withdrawal Fee:** A **10% withdrawal fee** will be deducted from the applicable withdrawal amount.

Example: $100 Package

After 10 days, the total value becomes **$112.50**.

The **$12.50 reward** includes the **1.25% daily reward** component.

After deducting **$1.25** from the reward, the remaining reward is **$11.25**.

Therefore, the amount is **$111.25 ($100 principal + $11.25 reward)**.

The **$10 fee** is allocated as **5% Creator Fee** and **5% Daily Spot Bonus**.
